

Join us in celebrating the 100th Anniversary of Milford Campus Bridgeport Hospital by purchasing a brick in the Garden of Life at Milford Campus.

This is your opportunity to leave a lasting legacy, memorial or tribute to someone special. The Garden of Life is located at the front of the main entrance to the Milford Campus. This area serves as the focal point to all those who enter the hospital while also providing a place of serenity and reflection.

Your gift to the Garden of Life will not only honor or memorialize a special person, but will also support the renovation and age friendly improvements of the 3 East unit at Milford Campus.

Milford Campus Garden of Life Brick Purchase

All employees, physicians, and volunteers are eligible to purchase a brick to inscribe. All bricks will measure 4" wide by 8" long. All inscriptions on the bricks will be in upper and lower case letters. A maximum of **18 letters** per line (including letters spaces and punctuation marks).

Three (3) lines of text are available. Symbols that appear on a keyboard may also be used.

Inscriptions shall not include commercial messages or company names. Discriminatory or inappropriate messages that refer to a group's sex, race, color, religious creed, national origin, age, or physical disability shall not be permitted. The Bridgeport Hospital Foundation reserves the right to deny any suggested brick inscription that it deems inappropriate. Bricks should be etched and installed by late Fall 2021.

Please complete the following information for each brick you would like to inscribe. Please note that each brick requires a separate inscription page. Please attach completed sheet(s) to your Donation Form.
