- Funding for a 24/7 dedicated Chaplain to provide spiritual care for patients and families admitted to the Bridgeport Hospital In-Patient Oncology Unit.
- In-Patient Oncology Unit refresh – patient rooms and corridors painted, purchased new patient recliners and over-bed tables for all rooms and mini-fridges placed in all rooms as an additional amenity to family members.
- Renovation and expansion of the Cancer Institute’s outpatient chemotherapy infusion suite as well as a new patient and family lounge.
- Establishment of the Agnes W. and Ernest W. Kaulbach Visiting Nurse Professor Program, featuring onsite presentations to staff delivered by nationally recognized experts in cancer care.
- Funding to expand genetic counseling services for those at greater hereditary risk of cancer.
- Agnes W. Kaulbach Nursing Scholarship.
